Remarks:

(1) If all required documents have not been submitted, JVAC cannot receive your application.

(2) A receipt will be handed in exchange of your passport on your application. The shortest time required for the process is five working days. In addition, if the visa is granted, it will be pasted on the passport. However, the process time may take longer in some cases; for example, the first time traveler to Japan, some purposes of journey, or some individual information. In some cases, you may be requested later for providing additional documents or an interview. When the visa process finishes, you will be contacted by phone. In order to prevent any inconvenience from happening to your schedule, please make your application as early as possible. If you have not heard from neither JVAC nor the embassy of Japan more than one week from your application date, you can check your status by contacting CALL CENTRE SECTION or look upon our homepage. (Please tell us the eight- digit barcode number on your receipt when you do so). Please understand that the Embassy of Japan cannot issue visa immediately as a request.
