Remarks:

- (1) If all required documents have not been submitted, JVAC may not accept your application.
- (2) An acknowledgement receipt will be provided to you on submission of your application. The shortest time required for the process is five working days.
In addition, if the visa is granted, it will be pasted on the passport.
However, there may be a delay in the processing time for certain cases: For example: the first time traveler to Japan, Certain purpose of journey, or some individual information. In some cases, you may be requested later for providing additional documents or may be asked to come for an interview. In these cases, When the visa process is completed, you will be contacted by phone. In order to avoid any inconvenience to your schedule, please make your application much in advance to your date of travel. If you have not heard from either JVAC nor the embassy of Japan for more than one week from your application date, you may check your status by contacting CALL CENTRE SECTION or track your application on our homepage. (If you are calling the Call Centre, you will need to inform us the eight- digit barcode number on your receipt).

Please understand that the Embassy of Japan cannot issue visa immediately as a request.
